

Clinicians have different views and expectations about their patients. Please respond to the statements below as they apply to you and your practice. If the statement does not apply, select N/A.

As a Clinician, how important is it to you that your patients with chronic conditions:

1.	Are able to take actions that will help prevent or minimize symptoms associated with their health condition(s).	Not Important	Somewhat Important	Important	Extremely Important	N/A
2.	Are able to figure out solutions when new situations or problems arise with their health condition(s).	Not Important	Somewhat Important	Important	Extremely Important	N/A
3.	Bring a list of questions to their office visit.	Not Important	Somewhat Important	Important	Extremely Important	N/A
4.	Are able to make and maintain lifestyle changes needed to manage their chronic condition.	Not Important	Somewhat Important	Important	Extremely Important	N/A
5.	Can follow through on medical treatments you have told them they need to do at home.	Not Important	Somewhat Important	Important	Extremely Important	N/A
6.	Know what each of their prescribed medications is for.	Not Important	Somewhat Important	Important	Extremely Important	N/A
7.	Are able to determine when they need to go to a medical professional for care and when they can handle the problem on their own.	Not Important	Somewhat Important	Important	Extremely Important	N/A
8.	Understand which of their behaviors make their chronic condition better and which ones make it worse.	Not Important	Somewhat Important	Important	Extremely Important	N/A
9.	Understand the different medical treatment options available for their chronic condition(s).	Not Important	Somewhat Important	Important	Extremely Important	N/A
10.	Tell you the concerns they have about their health even when you do not ask.	Not Important	Somewhat Important	Important	Extremely Important	N/A
11.	Want to be involved as a full partner with me in making decisions about their care.	Not Important	Somewhat Important	Important	Extremely Important	N/A
12.	Look for trustworthy sources of information about their health and health choices, such as on the web, news stories, or books.	Not Important	Somewhat Important	Important	Extremely Important	N/A
13.	Want to know what procedures or treatments they will receive and why <u>before</u> the treatments or procedure are performed.	Not Important	Somewhat Important	Important	Extremely Important	N/A
